## Language & Literacy Family Workshop

We would like to invite all of our families to join us for a Language & Literacy Family Workshop. This will be held at Rainbow Preschool on Wednesday 18th September— 9.00am to 10.00am.

This morning is designed to enhance children's language and literacy knowledge. It also provides educators with the opportunity to share their knowledge and understanding about planning and programming for language and literacy experiences for children in everyday learning environments with families.

These sessions are a lot of fun and every family that has attended in previous years provided lots of positive feedback on the session and on how different activities and experiences were transferred into the home environment.

**As per our policy – non payment of fees may result in your child's position at Rainbow being relinquished. Our waiting lists are extensive.**

SHOW YOUR TRUE COLOURS!

# Chickens

Again this year we will attempt to hatch chickens from eggs in incubators. We have previously had great success and are expecting/hoping for the same result this year. Our chickens are due to hatch at the start of term 4. Keep checking our Facebook page for updates.

## Policy Review

### Policy Name: Acceptance and Refusal of Authorisations

With 2020 fast approaching and the enrolment process looming, a review of this policy has taken place. This policy outlines authorisations requirements for services and actions to be taken where an authorisation submitted by parents or guardians is incomplete and therefore could lead to refusal to enact the authorisation. Please find a copy of this policy in your child's file.
