

## Staff Profile

**Nicole Delbridge—Nominated Supervisor, Educational Leader and Red Room Educator**

I have been working in the Early Childhood industry for 20 years and have enjoyed spending the last 19 at Rainbow Preschool. In this time, I have worked across all rooms, and currently I am an educator in the Red Room. In my role as Nominated Supervisor, every day comes with something different as I guide and support Rainbow's effective team who deliver quality standards, continuity of care and learning opportunities for children.

Developing and maintaining respectful, responsive, and sensitive relationships with children at the service and maintaining respectful and supportive relationships with families and the community means getting to know the centre as a whole. My latest role has now come as Educational Leader alongside Erica Bartley. This role is an opportunity to support Rainbow's wonderful educators and one that is close to me. To share my knowledge and support my colleagues achieve their best professional ambitions and professional trajectory that in turn supports the best learning opportunities and outcomes for your children is why I became an Early Childhood Educator.

Over the years I have been a part of the learning journey of countless children and families and look forward to being a part of this wonderful community for many years to come

## Farewell

As some of you may already know, I will be finishing up as Centre Manager of Rainbow Preschool. This has been a very difficult decision for myself as I have loved being part of the Rainbow Preschool community and working with a great team of educators. My last day will be the Friday 18th June. I am extremely proud of what our team has accomplished over the last 12 months during what has been a very trying time for everyone during the uncertainty of COVID.

I will be leaving knowing that our amazing team will continue to provide a high quality of care at our preschool. I will miss everyone's smiling face and wish everyone to continue a great 2021.

Kind regards,  
Leesa.
