## Early Childhood Educators Day—Wednesday 4th September

Early Childhood Educators Day recognises and celebrates the work of Australia's educators in early learning centres, long day care, kindergarten/preschool services, family day care, occasional care and Outside School Hours Care (OSHC), for their wonderful contribution to the wellbeing and healthy development of the young children in their care.

Parents/guardians and their children are invited to say thank you to their Early Childhood Educators in a range of different ways. It may be as simple as saying "THANK YOU", drawing or painting a picture or giving a thank you card. Let's show them how much we appreciate them.

## School Enrolment 2020

If your child is starting Kindergarten in 2020, please see your zoned school for all enrolment information and forms.

## Ursula Mitchell– Educator Red & Yellow Rooms

I moved to Broken Hill in 1999 from Penrith. I started my family and I am now a mother to four beautiful children. I have been a part of the Rainbow Team for seven years. It was always a passion of mine to work with young children. I am currently furthering my studies this year as I have enrolled in Education Support. Working with the community and our next generation is very rewarding. I look forward to being part of Rainbow for many years to come.

## Kathryn Lyle– Room Leader Red Room

This is my third year at Rainbow Preschool, and I feel blessed to be a part of the amazing team of educators here. I completed by Bachelor of Teaching through Macquarie University and am currently working in the Red Room as an Early Childhood Teacher. Seeing the children develop their ideas and understandings through their play and taking the learning journey with them, makes my work rewarding and enjoyable.

## Language & Literacy Family Workshop

We would like to invite all of our families to join us for our first Language & Literacy Family session for 2019.

**Where: Rainbow Preschool**

**When: Wednesday 18th September**

**Time: 9.00am to 10.00am**

This morning is designed to enhance children’s literacy knowledge. It also provides educators with the opportunity to share their knowledge and understanding about planning and programming literacy experiences for children in everyday learning environments with families.

These sessions are a lot of fun and every family that has attended in previous years provided lots of positive feedback on the session and on how different activities and experiences were transferred into the home environment. An invitation to attend will be placed in your child’s file. Hope to see you there.
